Because of the support of our community, in 2019 The NOAH Center was able to transfer 3,891 dogs and cats out of overburdened partner shelters where they may have otherwise been euthanized for lack of space, and instead match them with their loving forever homes. Of these adoptions, 1,353 were neonatal puppies and kittens saved and cared for through our Foster Program. Our in-house Spay & Neuter Clinic performed an incredible 10,073 spay and neuter surgeries, including 829 free surgeries for feral cats, as well as 86 adult cats and dogs and their 437 babies through our Mom’s Last Litter Program, all making an impact in the reduction of pet overpopulation and homelessness.

Without you, these exciting accomplishments would not be possible. Read through the next few pages to learn more about all of the heartwarming work that The NOAH Center was able to achieve thanks to you. We are so grateful for the generosity and compassion shown by our community of supporters and are excited to see what 2020 has in store for us.

The Northwest Organization for Animal Help (NOAH) is dedicated to stopping the euthanasia of healthy, adoptable and treatable homeless dogs and cats. We are committed to high quality spay and neuter programs available for low-income residents, family-friendly pet adoptions, humane education, and volunteer programs through our state-of-the-art facilities and Spay/Neuter Center.

OUR MISSION

The Northwest Organization for Animal Help (NOAH) is dedicated to stopping the euthanasia of healthy, adoptable and treatable homeless dogs and cats. We are committed to high quality spay and neuter programs available for low-income residents, family-friendly pet adoptions, humane education, and volunteer programs through our state-of-the-art facilities and Spay/Neuter Center.

OUR VISION

To reduce the number of homeless cats and dogs through spay/neuter and to find them forever homes.
SPAY/NEUTER

REDUCING PET OVERPOPULATION THROUGH HIGH QUALITY SPAY/NEUTER PROGRAMS

Pet overpopulation, the leading cause of pet homelessness in the United States, is a daunting challenge but one The NOAH Center is facing head on. Our Spay & Neuter Clinic has become one of the top low-cost spay/neuter facilities in Washington State and is manned by a powerhouse team of Veterinarians, Licensed Vet Techs, Veterinary Assistants as well as a host of clinic Volunteers. Together in 2019, our team performed a miraculous 10,073 spay and neuter surgeries on incoming NOAH animals and low-income family pets, and free of charge surgeries for 829 feral community cats, as well as 86 parent pets and their 437 babies through our Mom’s Last Litter Program.

Officially initiated in 2016, our Mom’s Last Litter Program was designed to reduce pet overpopulation within our local and surrounding communities. The NOAH Center works with families to provide free-of-charge surgeries for both parent pets (if available and owned by the same person) and the entire litter. Altered adults are returned to the owner and The NOAH Center enters the spayed/neutered puppies and kittens into our adoption program where they will all find loving, forever homes.

Every animal that arrives on a transfer from one of our partner shelters receives a medical exam, spay/neuter surgeries, vaccinations, flea treatment, and microchipping. If the newcomer has further medical needs, our clinic team will do whatever it takes to restore them to good health, even if that means x-rays, dental cleanings, round-the-clock care with staff, or emergency life-saving surgery. At The NOAH Center, we believe that every pet deserves to live their best life and we are honored to provide that chance.

In 2019, The NOAH Center welcomed 4,097 animals into our transfer program. We continued to focus on areas struggling both with pet overpopulation, in Washington State and throughout the entire United States, transporting to our facility from 82 partner shelters. Many of these dogs and cats simply needed safe and warm shelter, healthy and nutritious food, a loving touch, and time to find their forever homes, while still others required us to go above and beyond by providing extraordinary medical aid and care. Many of these animals were rescued from partner shelters that didn’t have the resources to care for them. All of them deserved the best and thanks to you, they received it.
Volunteers truly are the heartbeat of The NOAH Center; without their heartwarming dedication to the animals, we would not be able to provide the level of care, number of surgeries, or rescue the amount of animals we do.

In 2019, 884 volunteers donated 66,874 work hours to ensure the many tasks throughout the facility were completed, and to the highest of standards. Whether providing caring for animals, assisting with transfers, washing never ending piles of laundry, sterilizing used surgical instruments, maintaining our grounds, or answering the phones, our volunteers are needed in every way and are the reason we can continue to save so many lives.

We love our volunteers!

Bequests are an incredible way to leave a legacy of compassion and make a big impact at The NOAH Center, making up a noteworthy percentage of total gifts received from individuals each year. Not only do bequests support homeless pets and our spay/neuter clinic, they also provide funding to maintain our state-of-the-art facilities as well as new equipment which allows us to save even more lives.

The NOAH Center uses gifts from estates as the donor directs. There are several ways to include The NOAH Center in your planned giving:

1. Will or Trust: Specific gifts, residuary gifts or contingent gifts
2. Retirement Assets: IRA, 401(k), 403(b), pension or other tax-deferred plans
3. Life Insurance: primary or contingent beneficiary
4. Pet Care Trust: entrust your pets to The NOAH Center’s adoption program

Please consider making a difference with a gift in your will or trust. We invite you to contact us for more information at: (360) 629-7055.

MONTHLY GIVING

Help us make an even bigger impact: Join our Paw Pack Club and become a monthly donor!

Monthly gifts are one of the best ways to support The NOAH Center, as they provide sustained support for our adoptable animals. Become a monthly donor of any amount and make a difference year-round.
THANK YOU TO OUR 2019 ALUMNI MEMBERS!
