

Licensed Veterinary Technician

Job Announcement

Northwest Organization for Animal Help (The NOAH Center) in Stanwood seeks a full-time or part-time Licensed Veterinary Technician. The successful candidate will join our spay/neuter surgical team, focusing on providing exceptional patient care during spay/neuter surgeries.

Our management team is committed to providing you with rewarding work in a positive and supportive culture, with your well-being and work-life balance a priority. We offer **competitive wages of \$28.00-\$32.00 DOE with a signing bonus.**

Job Summary

The Licensed Veterinary Technician (LVT) maintains the daily flow of The NOAH Center's spay & neuter surgical team from check-in to patient discharge. The LVT is responsible for performing and assisting with pre-anesthesia exams, pre-op and induction, intubation, and monitoring surgical patients. The LVT Assists the veterinarian with spay/neuter surgeries as needed, overseeing the surgical prep, anesthesia, and post-surgical monitoring. The LVT organizes the daily surgery schedule and ensures that all patients receive the best possible care and treatment. Under the direction of The NOAH Center's Veterinarian, the LVT administers medical treatment and runs diagnostic tests.

The Licensed Veterinary Technician must support The NOAH Center's mission, philosophies, and practices. Superior customer service, consistent humane handling of animals, and fundraising are priorities for every NOAH staff member and volunteer. The LVT performs duties safely and professionally according to The NOAH Center's Code of Conduct.

Qualifications

- High School Diploma or GED Equivalent
- Must be 18 years of age
- Licensed or Certified Veterinary Technician in the state of Washington
- 1-2 years of anesthesia experience
- Must meet all the requirements in The NOAH Center's WSP WATCH Background Check Policy
- Computer literate in Windows environment
- Excellent interpersonal skills and ability to work in a team environment
- Ability to communicate effectively orally and in writing
- Working knowledge of current veterinary medical and surgical procedures
- Shows initiative and is a conscientious worker
- Ability to handle multiple tasks at once in a fast-paced environment
- Spay/Neuter Clinic experience or prior experience in an animal welfare environment is preferred

Work Conditions

Will handle biological and potentially zoonotic agents regularly. Exposure to volatile anesthetic chemicals, controlled substances, drugs such as antibiotics, steroids, etc. Exposure to cleaning products such as bleach, ammonia, etc. Exposure to fumes and a high noise level. Subject to cuts, bruises, animal scratches, and bites. Continuous kneeling, squatting, standing, stooping, bending on a concrete floor, and lifting to 40 pounds with reasonable accommodations daily. This position is physically demanding.
